

Skype Connect™

Standard Rates List

July 2011

These are the published rates as of July 11th, 2011.
Please check online for the latest standard rates list.

The minimum duration of a billed Skype Connect call is 30 seconds. After the first 30 seconds, Skype Connect calls are billed at increments of 6 seconds thereafter. Fractions of less than 6 seconds will be rounded up. Skype Connect calls do not incur a connection fee.

Access to a broadband Internet connection is required. Skype is not a replacement for traditional telephone service and cannot be used for emergency calling. Skype Connect is meant to complement existing traditional telephone services used with a corporate SIP-enabled PBX, not as a stand-alone solution. Skype Connect users need to ensure all calls to emergency services are terminated through traditional fixed line telephone services, connected to the local exchange, or through other emergency calling capable telephone services.
